

Saturday morning prayer and reflection

Instrumental Music

Opening/Welcoming

Call to prayer: Merton reflection

Those who attempt to act and do things for others or for the world without deepening their own self-understanding, freedom, integrity and capacity to love, will not have anything to give others.

They will communicate to them nothing but the contagion of their own obsessions, their aggressiveness, their ego-centered ambition, their delusions about ends and means, their doctrinaire prejudices and ideas. There is nothing more tragic in the modern world than the misuse of power and action....Thomas Merton.
